

New Employment Opportunities at SweetTree Home Care Services

Join our award winning team

Dementia specialist

Due to the growth and development at SweetTree, we wish to expand our team of Care Managers to include a dementia practitioner to work in Greater London. In this role you will act as SweetTree's internal dementia specialist carrying out assessments for new clients and putting care packages in place to help them remain at home with dignity, independence and control over their life. You will then follow-up the care being delivered to ensure that the desired outcome is achieved.

While this role has a dementia focus, not all of the clients supported will have a dementia. Success in this role will require not only good community based skills, but also huge passion for making a positive difference in people's lives.

As can be seen from our website, www.sweettree.co.uk, SweetTree's offering is unique and something to be very proud of. Please also visit our website's dementia page to better understand what our vision of dementia care in the community should be.

If you are a good communicator and a self motivated and confident individual who loves the idea of helping people to remain independent in their own home for as long as possible, then please forward a copy of your CV, detailing your experience and salary expectations to

Barry Sweetbaum, SweetTree Home Care Services, 2-3 Coleridge Gardens, London NW6 3QH or email Barry.sweetbaum@sweettree.co.uk

Fluent English, a clean drivers licence and community experience are all essential requirements of this position.

Care Manager

If you love working in healthcare and are confident, caring and enjoy meeting new people, a career as a Care Manager with SweetTree Home Care Services may be just for you.

Due to the growth and development taking place at SweetTree, we wish to expand our team of Care Managers in Greater London. In this role you will carry out assessments of client's needs, put care packages in place to help them remain at home with dignity, independence and control over their life and follow-up the care being delivered to ensure that the desired outcome is being achieved.

Success in this role will require not only good community based skills, but also huge passion for making a positive difference in people's lives. Good communication skills are also essential as the role involves working with clients, their families, their clinical team and other community based care providers to ensure that all of the support required by those we look after is in place.

As can be seen from our website, www.sweettree.co.uk, SweetTree's offering is unique and something to be very proud of. We have recently been nominated as one of the best home care business in the UK and are regularly asked to contribute to the debate on improving the lives of those in the community.

The SweetTree team is passionate about delivering the highest quality care and support possible to those we help in the community. If you are a good communicator and a self motivated and confident individual who loves the idea of helping people to remain independent in their own home for as long as possible, then please forward a copy of your CV, detailing your experience and salary expectations to:
